ABOUT

All of Everlasting Cabinetry cabinets and vanities are ready-to-assemble (RTA), ready-to-build (RTB), and Semi-Customizable to the customer's specific needs. Everlasting Cabinetry products are constructed with solid birch-wood doors, frames, and drawer front, 9/16" thick plywood boxes, soft-close metal door hinges, and full extension drawers with soft-close metal glides! By making all these "optional upgrades" necessary standard, the overall quality, functionality, durability, and value of Everlasting Cabinetry products are significantly improved without adding the burden of higher price for the customers.

WARRANTY

With our 1 year limited warranty, Everlasting Cabinetry warrants that all cabinets sold by Everlasting are free from defects in material and workmanship for a period of one year from the date of purchase. This warranty does not include labor for removal or replacement of defective part. This warranty applies only to the original purchaser and is not transferable to any other party, through sale of ownership or other. This warranty does not extend to defects caused by improper handling, storage, installation assembly or disassembly, damage, product modifications, exposure to the elements, misuse, abuse, or negligence. Variations and environmental exposures not covered. By purchasing the product, the original purchaser acknowledges that natural wood may vary in texture, color, and wood grain and it may exhibit subtle changes as it ages. Sunlight, some moisture, household cleaners, and other environmental conditions may cause the materials to vary from their original color and to warp, split, or crack. These variations are considered to be natural and related to the environmental exposure of the product and are not covered under this warranty.

PRIVACY NOTICE

We are the sole owners of the information collected on this site. We only have access To/Collect information that you voluntarily give us via email or other direct contact from you. We will not sell or rent this information to anyone.

We will use your information to respond to you, regarding the reason you contacted us. We will not share your information with any third party outside of our organization, other than as necessary to fulfill your request, e.g. to ship an order.

Unless you ask us not to, we may contact you via email in the future to tell you about specials, new products or services, or changes to this privacy policy.

TERMS AND CONDITIONS

These Terms of Use constitute a legally binding agreement made between you, whether personally or on behalf of an entity (“you”) and Everlasting Cabinetry, LLC (“we,” “us” or “our”), concerning your access to and use of the <https://everlastingcabinetry.com> website as well as any other media form, media channel, mobile website or mobile application related, linked, or otherwise connected thereto (collectively, the “Site”). You agree that by accessing the Site, you have read, understood, and agreed to be bound by all of these Terms of Use. IF YOU DO NOT AGREE WITH ALL OF THESE TERMS OF USE, THEN YOU ARE EXPRESSLY PROHIBITED FROM USING THE SITE AND YOU MUST DISCONTINUE USE IMMEDIATELY. Supplemental terms and conditions or documents that may be posted on the Site from time to time are hereby expressly incorporated herein by reference. We reserve the right, in our sole discretion, to make changes or modifications to these Terms of Use at any time and for any reason. We will alert you about any changes by updating the “Last updated” date of these Terms of Use, and you waive any right to receive specific notice of each such change. It is your responsibility to periodically review these Terms of Use to stay informed of updates. You will be subject to, and will be deemed to have been made aware of and to have accepted, the changes in any revised Terms of Use by your continued use of the Site after the date such revised Terms of Use are posted. The information provided on the Site is not intended for distribution to or use by any person or entity in any jurisdiction or country where such distribution or use would be contrary to law or regulation or which would subject us to any registration requirement within such jurisdiction or country. Accordingly, those persons who choose to access the Site from other locations do so on their own initiative and are solely responsible for compliance with local laws, if and to the extent local laws are applicable. The Site is intended for users who are at least 18 years old. Persons under the age of 18 are not permitted to use or register for the Site.

GENERAL INFORMATION

As a general rule, it's best to keep all cabinet surfaces dry at all times. Cabinet surfaces shall be dried immediately with a soft, lint-free cotton cloth. Avoid using a dish cloth or sponge. Avoid ammonia-based cleaners and soaps with dye. Harsh detergent residues may harm cabinet finishes. As with all wood products, quick temperature changes and excessive moisture can be harmful to the cabinet finish and overall cabinet stability.

BASIC CLEANING

To remove dust after installation and for initial cleaning, use a soft, lint-free cotton cloth to wipe down all exterior and interior surfaces.

For regular basic cleaning, use a soft, lint-free cotton cloth dampened with a mild detergent or soap and warm water. For best results, use a blotting action rather than a wiping motion, when cleaning. Wipe up food spills and water spots immediately with a lint-free cotton cloth, so moisture is not absorbed into the cabinet surfaces.

CLEANING OF GLASS DOOR INSERTS

Use a household glass cleaner with a soft, clean cloth. Apply the glass cleaner directly to the cleaning cloth rather than on the glass or mirror. Avoid excess glass cleaner running into the cabinet joints. Ammonia should never be used in full strength.

BASIC CARE & THINGS TO AVOID

When in doubt of a cleaner's suitability, DO NOT USE.

Never use scouring pads, steel wool, wire brushes or powdered cleaners.

Never leave a cloth moistened with cleaner on any cabinet surface for any length of time.

Check the areas around the sink and dishwasher to make sure that water and detergent do not dry on the cabinet surfaces.

Avoid draping wet or damp dish towels over doors of the base cabinets.

Do not attach towel racks to the interiors of cabinet doors.

Avoid placing small kitchen appliances where the heat or steam is directed onto cabinet surfaces.

Do not leave printed materials (newspaper, magazines, etc.) on the cabinet surfaces, as the printing can bleed into the cabinet finish.

STANDARD FEATURES

1. 5 Piece Drawer Front Construction
2. 3/4" Solid wood door and drawer face
3. 3/4" x 1 3/4" Solid wood Face Frame
4. 6-way adjustable Full Extension Soft Close Undermount Glides
